

UNITED STATES DISTRICT COURT  
WESTERN DISTRICT OF WASHINGTON  
AT TACOMA

EMILY TORJUSEN,

Plaintiff,

v.

NATIONAL RAILROAD PASSENGER  
CORPORATION,

Defendant.

CASE NO. C18-5785 BHS

ORDER

THIS MATTER is before the Court on Defendant Amtrak's Motion to Stay Execution under Rule 62(b), conditioned on its posting a supersedeas bond in the amount of \$10,000,000 (which is 125% of the jury's verdict and the judgment). Dkt. 76. Torjusen seeks a bond of 150% of the judgment, which she argues is akin to what the Court recently required in a similar case, *Steele v. Amtrak*, No. 19-cv-5553 BHS, at Dkt. 113 (\$10,000,000 bond on \$6,875,000 judgment).

Amtrak's motion for an order staying execution of the judgment, Dkt. 76, is **GRANTED**. Amtrak shall post a supersedeas bond in the amount of **\$11,000,000** to stay execution on the judgment. The stay shall be effective upon Amtrak posting the

1 supersedeas bond. The stay expires when the time for Amtrak to appeal has expired or the  
2 Court of Appeals for the Ninth Circuit issues a mandate, whichever is later.

3 **IT IS SO ORDERED.**

4 Dated this 3rd day of June, 2022.
